Build This House Direct Giving Campaign

Your Hopewell PTSA plays a vital role in helping Hopewell High School provide an excellent educational environment for our children. **Build This House** is a direct giving campaign during which we ask you to simply make a donation. This campaign has been put into place to simplify the lives of our families and students. It replaces other fundraising efforts that are time consuming and not as profitable for our school. Hopewell PTSA also prefers to have our Titans focus on academics rather than sales pitches. Please thoughtfully consider your gift. A donation of \$25 per student is our goal. We encourage students and families to ask other family members, friends, and neighbors to contribute in order to make this a success. Remember...

100% of your donation is tax deductible!

100% of your donation stays at Hopewell High School!

Donate online today by going to the Hopewell High School Main page, click PTSA, Click Build This House and follow the instructions OR fill out the bottom of this form, attach your payment and drop off at the High School “Attn: PTSA”:

For every \$25 donated by 9/18/18, your name will be put into a drawing for:

Family 4 pack to the NASCAR Hall of Fame with 4 simulator rides, 4 tickets to an Ovens Auditorium Event and 4 tickets to a Bojangles' Coliseum Event
